2015/16 Key Stage 2 Performance Summary

In September 2014 the Department for Education introduced a new National Curriculum, and the SATs system of levels used to report children's attainment and progress was removed. The new national curriculum does not include levels.

At Key Stage 2 the performance indicators have changed with **Scaled Scores** replacing **Levels**. **Raw Scores** from the tests are converted to **Scaled Scores**. Children need to achieve a scaled score of **100** to **Achieve the Standard** and **110** to **Achieve a Higher Standard**.
